

# NZ Diploma in Landscape Design (NZDLA) & NZ Certificate in Horticultural Services (Landscape Design) (NZCLD)

## Course Costs 2025 (please look only at the courses you are enrolled in)

**Note:** All courses use the Unitec Moodle online system for providing resources to students. You will need regular access to a computer (Windows or Mac) and the internet to use this and to work on assignments. Smart phones are not adequate for study and research purposes.

### Semester 1 courses

#### LAND4443 Horticulture for Landscape

You will need:

- suitable shoes and raincoat/umbrella plus sunhat/sunscreen for field trips.
- More information will follow about the practical activities during the block course or on-campus days.
- A camera/phone
- It is recommended (but not compulsory) to buy a small hand lens for investigating and ID of pests and diseases on plants. You can spend from \$15-\$100. Have a look at <https://magnifiers.nz/collections/field-agriculture> There is no need to spend a lot. It is a good idea to hang it on a lanyard.
- It is not compulsory to buy any one book, but a recommended plant book would be Fiona Eadie, *100 Best Native Plants for NZ Gardens*, Revised Ed 2014, Godwit. (Paper Plus, approx. \$50)
- Access to a computer with internet to complete the online learning this course entails.

#### LAND5557 Designing with Plants & HORT5405 Planting Plans & Documentation

- You will need suitable shoes and raincoat/umbrella for field trips/site visits.
- A camera/phone for field trips.
- Allow \$30 for field trip entry to gardens.
- Drawing equipment – Refer to the Gordon Harris list attached. HORT5405 students will be instructed in the design and graphics courses about what equipment to buy for use in creating plans. LAND5557 students will not be doing design or graphics courses until sem 2. Therefore, for LAND5557 you will need **butter paper and tracing paper, pencils, black fine line pens, scale ruler, circle template, compass.** (See the design and graphics courses below – prices on the GH list)
- Allow \$50 for printing costs for assignments.
- It is not compulsory to buy any one book, but a recommended plant book would be Fiona Eadie, *100 Best Native Plants for NZ Gardens*, Revised Ed 2014, Godwit. (Paper Plus, approx. \$50)

#### HORT5403 Landscapes in Context

- Allow \$100 for printing and buying materials for model-making (To be confirmed)

#### HORT5401 Landscape Graphics & HORT5404 Design Studio

- Please see list below for LAND4113/4114

## Semester 2 Courses

### HORT5402 Planting Design

- Allow \$50-100 for printing costs for these courses (plans).
- There may be a field trip to Auckland Zoo. Allow \$20 for this.
- Same drawing equipment as for LAND4113/4114

### HORT5407 Advanced Design Studio & HORT5406 Construction Plans & Documentation

- The same drawing equipment as for HORT5401/5404
- Allow \$100 for printing plans for presentation and possible purchase of construction materials to make a constructed detail (to be explained)

### HORT5408 Landscape Professional Practice

- Allow \$50 for printing (to be confirmed)
- You will be responsible for finding your work experience placement (unpaid) and paying for transport to this (32 hours total). If PPE is required at your job you will need to purchase this (eg boots, hard hat, high vis etc). A raincoat and sunhat/sunscreen will be needed if you are working outdoors.
- A phone/camera to record aspects of your work experience for the class presentation.

### LAND4113 (Design Studio) and LAND4114 (Design Representation)

- Allow \$50-100 for printing costs for these courses (plans).
- There is a field trip to Hamilton Gardens. Some van transport is provided but carpooling will also be required. Garden entry is approx. \$15.
- Camera or phone to take photos
- Charcoal or Crayon/pastel
- Selection of coloured pencils (aquarelles if you want to be able to wet them to give more of a water colour effect)
- 3-4 different coloured felt tip pens (eg green, orange/red, blue, yellow) with thick nibs
- 4B/8B, 4H, 2H, HB, 2B graphite pencils
- 0.1pt, 0.3pt, 0.5pt and 0.7pt fine line pens (black - for technical drawing)
- Scale Ruler, make sure it has 1:50, 1:100, 1:200 scales – triangle profile is easiest to use
- T-square
- Triangles/set squares (45 and 60 degree). You can buy one adjustable set square, although more expensive
- Circle template with a variety of diameters for creating planting plans
- Compass for making larger circles
- Pencil sharpener
- Eraser
- A visual diary (A4, blank pages, drawing quality paper)
- A1 or A2 trace paper as directed by lecturer (approx. 10 sheets)
- Butter paper pad A2
- Masking tape
- Magic tape
- Glue stick

- Scissors
- Craft knife (for model-making – cutting cardboard etc) & can also be used to scrape off ink mistakes from trace paper.
- BH A2 Challenge drawing board – while not compulsory, this will make your design study much more manageable if you want or need to work from home.

**Allow up to \$200 to acquire your drawing equipment (depending on what you decide to buy – not including the drawing board).**

You will need to purchase **core materials** ready to start your first class. See below for suppliers nearest Unitec. A price list for drawing equipment from Gordon Harris is attached. Please ask if you have questions.

**Note:** There is not a bookshop or art supplies shop on campus. The closest is Studio Art Supplies in Grey Lynn, French Art Shop in Morningside or Gordon Harris in Newmarket. All give 10% discount for students (present your ID card) and may have sales.
